

Weight Vest Features

Multi-Training

 Weight Vest adds resistance to aerobic workouts or any body weight training. Suitable for multiple exercises. Supported with resistance drag buckle

Removable Weight Blocks Adjust weight by adding or removing Weight Blocks. Velcro®—closure Weight Block pockets on both front and back of vest

Weight Distribution

Weight is distributed equally across front and back

Water—Repellent

■ Weight Vest fabricated from 840—D Nylon with dual urethane coating to inhibit moisture transfer

ComfortFit™ Features

Ergonomic Design

■ Compact. One—size—fits—all design suitable for both men and women

Padded Shoulders

Absorb shock and decrease pressure to increase comfort and reduce injury. Anti—slip

Body and Shoulders

• Velcro®—closure straps increase stability during various exercises and reduce pressure on the trunk. Adjustable belt is made in one size and will fit most users

Belt System
